About St.Kitts

St.Kitts, known more formally as Saint Christopher is an island located 17°15'N 62°40'W in the Eastern Caribbean. St.Kitts is located about 1,300 miles from Florida, 4,100 miles from London and 8,500 miles from Beijing, China. The island is serviced by the R.L.B International Airport, with daily flights by regional and international carriers. The currency used is the Eastern Caribbean Dollar, although US Dollars are widely accepted (\$1.00 USD = \$2.70 ECD)
